

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The specification has been amended to eliminate some minor obvious errors. No new matter whatsoever has been added.

Somehow, Table 3, which was correct in the original application papers, was reproduced with an error in the published application. This amendment inserts the proper table back into the case to correct this error.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
